Re: 2022 Notice of Protest

Dear Property owner,

If you wish to protest (even informally) you must first file your protest. A CAD employee will reach out to you for an informal, it is helpful if you send any information or evidence along with your protest. Please make sure that you supply us with a contact phone number and email.

If you are planning to “walk in”, make sure you have all your information/evidence with you. Space is limited and you may have to leave your protest and wait for a staff member to contact you.

If we are not able to reach you, your rights are still protected, and a hearing will be scheduled for you. I apologize for any inconvenience this may cause.

Ways to file your protest:

Email to applications@jaspercad.org

E-file (only some properties will qualify)

Mail in to 137 N Main Jasper, Tx. 75951

Drop box in front of the office

Sincerely,

Lori Barnett, RPA, CCA
Chief Appraiser
